# SHARE THE SPIRIT OF CANADA

with brothers and sisters in Maai Mahiu!

Caroline's mother is HIV positive, and Caroline will likely become the 'mother' to her three younger brothers and sisters.

Mary (2nd from left) is the third girl from her village to study in a high school. Her family (in picture) is very proud of her.

Michael lives with his grandmother and 6 relatives. His mother has HIV/AIDS. He is a straight-A student who hopes to be a pilot one day.
